

STATIONERY

A STEADY STREAM
of stationery and office supplies flows from the store to our customers, and another stream replenishes the stock. This is kept up to a condition where betterment is impossible.

STATIONERY
from the best manufacturers in each line fills our shelves, and little money will transfer the ownership. The proof of the value is in the quality.

Bent Her Double.

"I knew no one for four weeks, when I was sick with typhoid and kidney troubles," writes Mrs. Annie Hunter of Pittsburg, Pa., "and when I got better, although I had one of the best doctors I could get, I was bent double and had to rest my hands on my knees when I walked. From this terrible affliction I was rescued by Electric Bitters, which restored my health and strength, and now I can walk as straight as ever. They are simply wonderful." Guaranteed to cure stomach, liver and kidney disorders. At the Red Cross Pharmacy and Parlor Drug Store. Price 50c.

CHANGES IN CABINET.

Four, and Possibly Six, Places Will Need New Heads.

Washington, June 30.—Four, and possibly six, of the nine great departments of the government which are represented in the cabinet will have new executive heads by this time next year, and possibly sooner.

Secretary Shaw of the treasury and Atty.-Gen. Moody will retire next year, Mr. Shaw in January or February. George B. Cortelyou, at present postmaster-general, will be the next secretary of the treasury, taking the office early in the winter. This will make the appointment of a new postmaster-general necessary.

Unless the President has reason to change his mind, Charles J. Bonaparte of Maryland, who becomes secretary of the navy next Saturday, will succeed Atty.-Gen. Moody a year hence. It was Mr. Roosevelt's original plan to place Secretary Taft at the head of the department of justice, but he has another office in mind for him, if Secretary Hay should retire. Mr. Hay's latest illness has led to a general belief that he will not care to undertake his official duties again for any considerable period.

There is indisputable authority for the statement that the President had thought of asking Elihu Root to return to the cabinet as secretary of state, but from what was learned yesterday he has concluded not to do so.

With Bonaparte going to the department of justice and Taft to the state department, the President will have to name a new secretary of the navy and another secretary of war.

GRANITEVILLE.

There will be a dance in Miles' hall Saturday evening July 1. A good orchestra will furnish music.

Endorses Sells & Downs Circus.

In the great scrap book of press notices kept by the Great Sells & Downs Shows may be found many unique and original press notices which make interesting reading. Perhaps one of the most original comments, because of its unusual and emphatic way of expressing its approval of the big show, is the following taken from the Daily Journal of Hannibal, Mo.:

"Some years ago a half-headed member of the Missouri legislature from the southeastern section of the state introduced a bill to compel circuses to show everything advertised."

"This honest statesman evidently did not have Sells & Downs circus in mind when he prepared his bill, judging from the great entertainment given by that great combination in this city yesterday."

"The promises on the big, flaming bills were great, but every promise was fulfilled, and more."

"The parade, to start with, astonished everybody. It was immense. And then the menagerie was complete and there was no 'kick coming' from ticket holders. The big show came up fully to expectation. To particularize would require a page. Every act was applauded. The Journal's advice is, when you get within reach of Sells & Downs circus, go and get your money's worth."

The Great Sells & Downs Shows will exhibit in Barre, Thursday, July 6.

TO DOUBT THIS

Is To Disbelieve The Evidence Of Barre Citizens.

J. H. Hooker, carpenter and builder, of 101 Prospect street, says: "What I first stated in the winter of 1897 about Doan's Kidney Pills, sold at E. A. Drown's, was not only absolutely true, but today, in the month of May, 1905, I just as emphatically endorse the preparation as I did when it first came to my notice. I have good reasons for doing so. I had consulted physicians and used every known kidney remedy which came to my notice and which my friends suggested, but still the stopping of the dull, almost constant pain just over my kidneys was not in the distance. If I sat down for a short time it made me nervous and I was compelled to get up and walk about for the slight comfort that makeshift afforded. In addition to the backache, trouble with the kidney secretions was very observable at night. When I commenced to use Doan's Kidney Pills my condition I considered serious. I knew by the direct action of the pills on the kidneys that they were going to the root of the trouble and I continued the treatment until I had used five boxes. During the time which has passed, and it is over five years, I have had occasion to appeal to Doan's Kidney Pills and I have never appealed to them in vain. I have recommended them to my friends and acquaintances, who have used them with such good results that they positively state they are an excellent preparation."

For sale by all dealers. Price 50 cents. Foster-McMurray Co., Buffalo, N. Y., sole agents for the United States.
